

STAINED GLASS QUARTERLY

DISTRIBUTOR INFORMATION

Stained Glass Quarterly (SGQ) is a heritage publication, continuously published and circulated since 1906.

The SGQ is an exchange of ideas and knowledge among readers, a means of carrying information and inspiration of our craft to the world.

For makers and studios, the SGQ is an inspiring look at stained glass around the world. In a medium that rarely travels to us, this is our means of exposure to the potential of our medium and its space.

For aficionados and supporters of monumental stained glass, the SGQ is an opportunity to take an in-depth look at the people, processes, and stories behind the work itself.

Long story short: if you love stained glass, the SGQ is for you!
